

EVENTS OF DAY IN WEST SCRANTON

REV. E. A. BOYL, OF MICHIGAN, IS CALLED HERE.

Members of Plymouth Congregational Church Want the Michigan Frencher for Their Pastor—Sketch of the Prospective Pastor—Funeral of Mrs. Cawley—School Deposits. Firemen's Fair Promoters—Slight Supper and Entertainment.

The members of the Plymouth Congregational church held a meeting last evening in the lecture room to consider the advisability of choosing a pastor to take charge of the work of the church.

Since then the pulpit has been occupied by some very learned men, but none of them created a very favorable impression until Rev. E. A. Boyd, the pastor of a Congregational church at Clatsop, Michigan, came here a short time ago and occupied the pulpit for two Sundays.

The congregation discussed the matter in the meeting, and last evening's meeting was the result. When the members assembled at 8 o'clock, there was a large attendance, and John T. Jones was chosen as moderator.

Rev. Boyd was formerly a resident of Tacoma, Washington, and at one time studied law. He is a lecturer on scientific subjects, and a very able man. He has been pastor of the church in Michigan for three years, and has never been East before.

The gentleman is about 25 years of age and is married and has one child. His present charge is a small one, and while the field is fruitful, a better opportunity presents itself in this city for good work.

The Best Styles Black Crepons

Are not easily obtained this season. The demand has far exceeded the supply, and manufacturers both at home and abroad have had to decline many a tempting offer, simply because they could not deliver the goods.

You Are Fortunate and We Are Happy

For you can depend on finding an abundance of the finest makes and finest patterns in our popular Black Goods Department, and there's a lot of satisfaction to us in knowing that we can meet your every requirement perfectly, under difficulties that were not easily surmounted.

Nor is there a present season's pattern missing.

Attractive, Fancy Dress Goods Fabrics

The entire Dress Goods trade this season seem to have gone by whims and fancies. Some weaves have been heavily run on while others have been neglected. We never believe in forcing goods on our patrons they do not want, consequently we have filled up all the gaps that popular demand created, and also have added several eleventh hour novelties that were late in coming to market.

Drop in This Week and See

Some of the new ideas and fancies just referred to. We think they're elegant but are well aware that tastes differ. Let's have your opinion.

Shortly after 8 o'clock last evening several newspapers and the cloth on the table in the dining room of James Griffith's home at 1312 Washburn street became ignited and caused much excitement. It is supposed that a lighted match was carelessly thrown on the papers and started the blaze.

The firemen of the city were called to the scene and succeeded in extinguishing the fire before much damage was done.

Mrs. Griffiths, who has but recently recovered from a long illness, was almost prostrated and rendered somewhat hysterical from the effects of the fright.

BARRELS OF SAMPLES.

Over Two Hundred Thousand Trial Bottles Sent Free by Mail.

By special arrangement with the manufacturers of that justly famous kidney medicine, Dr. David Kennedy's Favorite Remedy, the readers of the Tribune are enabled to obtain a trial bottle and pamphlet of valuable medical advice absolutely free, by simply sending their full name and post office address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., and mentioning this paper.

Of course this involves enormous expense to the manufacturers, but they have received so many grateful letters from those who have been benefited and cured of the various diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation, and all weaknesses peculiar to women, that they will willingly send trial bottles to all sufferers.

Upon investigation it was found that 21 per cent. of those who have used the trial bottle had received such benefit from it that they purchased large sized bottles of their druggists.

It matters not how sick you are or how many physicians have failed to help you, send for a trial bottle of the great medicine. It costs you but a postal card, and benefit and cure will most certainly be the result.

Put some urine in a glass tumbler and let it stand 24 hours; if it has a sediment or if pale or discolored, milky or cloudy, stringy orropy, your kidneys are diseased and need the Favorite.

Dr. David Kennedy's Favorite Remedy speedily cures such dangerous symptoms as pain in the back, inability to hold urine, a burning desire to urinate, especially at night, the staining of linen by your urine and all the unpleasant and dangerous effects on the system produced by the use of whiskey, wine or beer.

The advisability of bringing about a union of Baptist Young People's societies and Epworth leagues with the Christian Endeavorers was considered. The purpose of this union would be to strengthen the proposed reform movement against open meetings on Sunday and unlicensed preachers. It was decided to bring the matter before the societies concerned. The chairman stated that he has been given assurances from county and city officials and Christian workers, both in the Protestant and Catholic churches, that substantial assistance will be given the reform movement at the proper time.

It was announced that a reception will be tendered the union by the society of the Green Ridge Presbyterian church, Tuesday evening, April 25, at the above church. All Endeavorers are welcome. Rev. I. J. Lansing will deliver an address. A report was made by the union's treasurer indicating that their debt is practically wiped out. The next meeting will be held Monday evening, May 8.

LIKE IN STUDENT DAYS.

The Liederkranz enjoyed one of its periodical social sessions last night at Music hall. The entertainment took the form of that which the German students are wont to enjoy when they have a night to themselves and an inclination to make merry in a body.

The members sat in groups at small tables smoking clay pipes and sipping their beer, while this or that one from their number responded to a call for a story, a song or some other amusement.

A feature of the evening was an interesting talk on the Klondike by Edward J. Lanning.
